Gentlemen:

Under date of September 5th I wrote you as follows:-

I am interested in locating the death record of a Christian or Christoph Hafner, who is said to have died on Ward's Island or Blackwell's Island between 1893 and 1896, and who is supposed to have been buried in Potters Field, either under this name or some adopted name.

Have you any record of such an interment, and if so, will you please send me the details.

Your kind reply would be appreciated.

Very truly yours

Nathan Schwartz
